The fire alarm was given Saturday night about 10:30 o'clock and the people responded to the call to find the building of Mr. B. E. Pope, on Roanoke street, in a light blaze. There was nothing to fight fire with and the house was soon consumed by the flames. Mr. Pope carried about \$650 insurance.

The publishers of The Youth's Companion will, as always at this season, present to every subscriber whose subscription (\$1.75) is paid for 1912, a beautiful Calendar for the new year. The cover picture reproduces a water-color painting of a bit of New England coast, giving a glimpse of breeze-swept ocean, of smiling sky, of warm sunny rocks, which will come like a breath of salt air to those who have once lived near the sea and to those whose whole life has been passed inland. The picture being in eight colors, the tones of the original are faithfully reproduced.
